

Transportation bases facilitate transportation and provide protection to the liquid cooled load bank during shipping.

## KEY FEATURES

- Heavy duty construction, powder-coated structural steel protects load bank from damage during transport
- 2" Ratchet straps restrain side-to-side and front-to-back movement
- Hinged ramp folds down for loading and is held in vertical position during shipment or folds inward for storage
- Integrated fork pockets in both directions
- When not in use cages are stackable, reducing required storage space
- Load bank may be operated on the base

## DIMENSIONS & WEIGHT (L x W x H)

Dimensions	85 x 57.25 x 34.44" 2159 x 1454.1 x 874.8 (mm)
Weight	700 lbs 317.5 (kg)
Item Number	1601447
